EDUCATION

Loyola University Maryland

Bachelor of Arts in Computer Science

Baltimore, MD
Expected May 2026

- Organizations: Drone Club, Loyola Cybersecurity Club
- Built RC vehicles and competed in collegiate cybersecurity competitions (CTFs)

SKILLS

Languages: Python, Java, C, C++, Bash, x86 Assembly, JavaScript, Ruby, HTML, CSS

Frameworks & Libraries: React, Ruby on Rails, Vite, NumPy, Pandas, scikit-learn, PyTorch, Tkinter

Tools & Systems: Linux, Git, GitHub Actions, Docker, Redis, SQLite, SQL, SSH, VirtualBox

PROJECTS

Soccer League Management Web Application

Fall 2025

Ruby on Rails, React, Vite, SQLite, Redis, RESTful API, Agile — Team of 4

- Designed and developed a full-stack soccer league management web application
- Implemented a real-time notification system using Redis
- Led project planning by creating and managing a GitHub Kanban board and assigning tasks
- Enforced branch protection rules requiring pull requests and code reviews
- Implemented GitHub Actions to automatically run tests before merges
- Wrote unit tests using Ruby Minitest and generated coverage reports with SimpleCov
- Authored technical documentation and participated in biweekly sprint presentations

Minesweeper Game Prototype

July 2025

Python, Tkinter — Solo Developer

- Designed and implemented a classic Minesweeper game in Python
- Built game logic including random mine placement, input handling, and win/loss conditions
- Developed a responsive GUI ensuring smooth gameplay

Peer-to-Peer Tutoring Platform — High Tech Hacks Hackathon

June 2021

Angular, Node.js — Team Lead

- Led a team in designing a full-stack peer tutoring platform
- Built frontend components with Angular and backend services with Node.js

PROFESSIONAL EXPERIENCE

Loyola University Maryland — Fitness & Aquatic Center

Fitness Attendant

Baltimore, MD
May 2025 – Present

- Cleaned and organized gym equipment to improve member experience
- Logged equipment inventory and tracked usage patterns
- Ensured compliance with safety guidelines in a high-traffic environment

ASM Global — El Paso Waterparks

Lifeguard

El Paso, TX
June 2021 – August 2021

- Enforced safety and health regulations for aquatic facilities
- CPR, Lifeguard, and First Aid certified
- Maintained pool facilities to meet health code standards

LEADERSHIP EXPERIENCE

Loyola University Maryland — Office of Student Life

Summer Resident Assistant

Baltimore, MD
May 2025 – September 2025

- Developed and facilitated social and educational programs for approximately 60 residents
- Mediated roommate conflicts and connected students with academic and wellness resources
- Served as a role model to foster a strong residential community

DMV Collegiate Capture the Future CTF

Participant (Team of 4)

Baltimore, MD
November 2023

- Solved 10+ challenges involving cryptography, reverse engineering, OSINT, and web exploitation
- Used scripting and exploit techniques to extract protected information
- Coordinated task assignments based on team members' strengths
